

Datasheet

Mestic slimline refrigerator series

Designed for compact spaces without compromising on performance. The Mestic Slimline refrigerators offer powerful compressor cooling in a narrow design of just 420 mm wide, perfect for campervans, caravans and other mobile applications. With smart connectivity, efficient energy use and flexible storage options, these models provide everything you need for convenient and comfortable use.

Features

- **Compact 420 mm width slimline design:** ideal for narrow installation spaces, available in 90 L, 132 L and 156 L.
- **Dual temperature control:** clear LED display to set fridge and freezer independently.
- **Energy efficient cooling:** optimized consumption for mobile use.
- **Quiet operation:** low noise levels for maximum comfort.

Control & connectivity

- **Integrated LED display:** always in control without a smartphone: on/off switching, Max/ECO mode, fridge and freezer temperature settings, battery protection level, and clear status functions such as door open reminder.
- **Full smart connectivity:** Bluetooth, Wi-Fi and CI-BUS for seamless system integration, real time monitoring and advanced control.
- **Mestic smart app for instant insight and control:** switch on/off, adjust fridge and freezer temperatures, select Max mode, manage battery protection settings and control compartments individually.

Reliable cooling

- **Powerful and consistent performance:** flexible temperature ranges with fridge temperatures from 0 °C to 10 °C and freezer temperatures from -18 °C to -5 °C, supported by efficient and stable compressor cooling for reliable operation in varying conditions.

Slimline refrigerators

MR-90sl

- 90 L total volume
- Removable freezer compartment

MR-130sl

- 132 L total volume
- Fixed freezer compartment

MR-150sl

- 156 L total volume
- Fixed freezer compartment

Why choose Slimline

- Smart connectivity (Bluetooth & Wi-Fi)
- Quiet and efficient operation
- Flexible storage configurations
- LED interior lighting
- Reversible door (left/right)
- Multiple shelves and door compartments
- ECE R10 certified

Works seamlessly with
the Mestic smart app

Wi-Fi™ Bluetooth®

Model	MR-90sl	MR-130sl	MR-150sl
Article No.	1512310	1512320	1512330
EAN-code	8712757494477	8712757494484	8712757494491
Capacity and Cooling performance			
Total volume	90 L	132 L	156 L
Fridge volume	74 L	99 L	123 L
Freezer volume	16 L	33 L	33 L
Freezer compartment removeable	Yes	No	No
Total volume when freezer compartment is removed	94 L		
Temperature range fridge		0 °C - 10 °C	
Temperature range freezer		-18 °C - -5 °C	
Fridge and freezer temperature separately adjustable		Yes	
Inner fan	No	Yes	Yes
Temperature control sensor		Fridge and freezer separately	
Climate class		ST	
Refrigerant		R600a	
Refrigerant quantity (grams)	20 g	24 g	26 g
CO ₂ equivalent (t)	0.000060 t	0.000072 t	0.000078 t
Global Warming Potential (GWP)		3	
Interior & Usability			
Amount of shelves	2	3	4
Crisper drawer		2	
Freezer compartment inner shelf	1		
Door shelf divider		4	
Inner LED light		Yes	
Door hinge direction		Left and right	
Electrical & Energy			
Connection voltage (V)		DC 12 V/24 V	
Rated current (A)		12 V 6.5 A	
Average power input (W)	DC 70 W		DC 75 W
Energy consumption per day	0.75 kWh/24 h		0.85 kWh/24 h
Average ampere usage per day	12 V 2.6 Ah		12 V 2.95 Ah
Noise level dB	37.2 dB	33.5 dB	34 dB
Controls & Connectivity & Environmental			
Display		LED	
Display auto on/off function		Yes	
Connectivity		Bluetooth, Wi-Fi, CI-BUS	
Dimensions and Installation			
Dimensions (W x D x H mm)	420 x 490 x 975 mm	420 x 560 x 1300 mm	420 x 560 x 1500 mm
Recommended built-in depth	530 mm	600 mm	600 mm
Net weight	28 kg	36.5 kg	39.9 kg
Compliance data			
Certifications	CE, RED, EMC, Rohs, Reach, POPs, LFGB, FCM, ECE R10
